Pink Paw Jelly Scans

Hello!

This is Pink Paw Jelly Scans and I bring to you, “End and Save”
It's a webtoon from foxttoon, and I just fell in love with the characters and as well as the story and the illustrations. Therefore, I wanted to share it with people that could not read Korean as well!

And so, I present to you, “End and Save. 00: start” (aka the prologue)

Hey there~

You're "that" Doctor Frug, right?~

n-no.
I'm Doctor Frog

I am called, End

It's a pleasure to meet you, Doctor Frug

I told you, I'm doctor FROG! Who are you anyway, and how in the world did you get in?

I am sure I most definitely told them not to let ANYONE in!

ah~ if it is your guards you are speaking of, there is no need to fret. You think we wouldn't have taken them into account?

w-what?!

calm down
I will leave once I receive the potion you made

I-if it is the potion you want,
I am afraid someone already took it yesterday..!

excuse me..?

oh jeez, stop treating me like i'm a kid

You know I don't eat any flavor other than "my mother is an alien", right?

*엄마는 외계인(mommy is an alien) is a basque 31 robots flavor in Korea

All this talk about ice cream is making me crave it!

It can't be helped. Let's go right now.
